Pool Supervision & Age Guidelines

Children 7 & Under

- Must stay within arm's length of an adult at all times (Adult must be in the water)
- Ratio: 1 adult per 6 children (At least 4 children must wear lifejackets)
- Puddle Jumpers & arm floaties are NOT permitted (Lifejackets only)

Children 8–11 Years Old

- Must be under direct supervision of a vigilant adult on the pool deck
- Ratio: 1 adult per 15 children

Children 12+

- May swim independently without adult supervision

Pool Programs & Activities

- An adult 16+ must accompany a child to a pool program. The adult can leave the pool area once the program has begun, and must return before the program has ended. At the end of a program, the swim instructor will hand the child to the adult outside the pool, after which time if the child wants to continue swimming, the same rules apply for different ages as above.
